Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

The following is considered to be intended used language:

an input **for** ...

a market place product store **for** ...

a product selection store **for** ...

an enterprise capability store **for** ...

a product fulfillment data store **for** ...

Allowable Subject Matter

2. Claims 1-4, 6-9, 20, 21 and 22-31 would be allowable when overcome the 112 rejection.

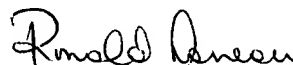

Claims 10 and 32 are allowed.
